As a below-named inventor, I hereby declare that:

My residence, post office address and citizenship is as stated below next to my name; that

I verily believe I am the original, first and sole inventor of the invention entitled:

IMPROVED WOUND TREATMENT BANDAGE

in the attached specification; that

I do not know and do not believe the same was ever known or used in the United States of America before me or my invention thereof, or patented or described in any printed publication in any country before my invention thereof or more than one year prior this application that the same was not in public use or on sale in the United States of America more than one year prior to this application, that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application and any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to this application, that I acknowledge my duty to disclose information on which I am aware which is material to the examination of this application, and that no application for patent or inventor's certificate on this invention has been filed in any country foreign to the United States of America prior to this application by me or my legal representatives or assigns.

Address all correspondence to the undersigned at the address indicated below. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validty of the application or any patent issued thereon. I have read the foregoing specification and claims as amended by any prior amendment hereto and I understand same.

I further petition the Commissioner of Patents to grant Letter of Patent to me as assigned with the Assignment Form accompanying the Declaration.

Full Name of Inventor George R. Royer
Inventor's Signature
